michael.leech@m3property.com.au

Michael is the Managing Director of South Australia and a Director within the Litigation and Acquisition Team.

Michael is responsible for property valuation advice and consultancy work for an extensive array of matters including compensation and litigation, feasibility advice, rental determinations, financial reporting, loss on sale/financial loss claims and insurance valuations and valuations for sale and purchase.

He has extensive experience in advising Private and Government clients in respect of compulsory acquisition matters, rating and taxation issues, rental assessments and asset valuations throughout metropolitan and regional Victoria.

Prior to his commencement at m3property, Michael had extensive experience within the compensation and acquisition valuation fields as well as the project management and provision of valuation services to various local government authorities.

Michael commenced employment with m3property in 2016.

Valuation and consulting experience includes:

- Melbourne Metro Rail Project
- East West Link
- Regional Rail Link
- Outer Metropolitan Ring Road
- Rating Objections
- Western Grassland Reserves
- Level Crossing Removal Project
- Amaroo and Lockerbie Main Sewer Project
- Numerous Road Widening Projects
- Acquisitions for Easement Rights
