Don is a Director in the national Retail team and is responsible for valuation and advisory assignments involving investment grade retail assets.

Don has been involved in the industry since 2008 and his experience includes a broad range of valuations, extending to investment analysis and funds management. He has been a qualified valuer for more than 10 years and prior to his appointment at **m3**property held roles at AMP, including Assistant Fund Manager for AMP Capital Shopping Centre Fund, a major Australian wholesale real estate fund invested in super regional, regional, sub regional, and neighbourhood assets throughout Australia.

Don's valuation experience is extensive ranging from neighbourhood to super regional shopping centres, along with large format retail centres. He regularly advises and undertakes valuations for institutional clients, private investors, and financial institutions.

Don commenced his career in 2004 and became qualified as a valuer and admitted as an Associate of the Australian Property Institute in 2010. Don initially commenced employment with **m3**property in April 2004, before returning in 2021.
